

The Spring Creek Watershed Commission Presents...

Enhancing Community and Watershed Sustainability

Join John Theilacker and Wesley Horner of Brandywine Conservancy's Environmental Management Center in a session highlighting the importance of municipal planning and resource protection in ensuring long-term sustainability of the Spring Creek watershed.

Take advantage of decades of experience in technical planning assistance to learn how municipal officials can positively contribute to improving their communities' resource sustainability.

Co-sponsors:
The Spring Creek Watershed Association,
Clearwater Conservancy
